

Welcome Theo Devries

We are pleased to announce the addition of Theo Devries to the Can/Am Technologies team as a Business Analyst and Human Resources Assistant.

This January, Theo Devries joined CanAm as a Business Analyst and Human Resources Assistant. Theo brings a passion for developing policies, procedures, and culture based on taking care of clients and employees in a way that is efficient and effective.

Theo recently commented “I am excited to be working here at Can/Am! I have a background in Pastoral ministry, an education in Human Resourcing, as well as experience in the HR field.” Theo earned a Certificate in Recruitment and Talent Acquisition from Cornell University in 2020 and worked as a summer intern at Computronix. Prior to that, he earned a Diploma in Pastoral Studies and Counseling from Prairie College in Alberta. Theo aspires to be an excellent Business Analyst as well as a Human Resources Asset by working hard, smart, and with positivity.

In his free time, Theo loves golf, the great outdoors, and spending time with his beautiful wife and three daughters.

Please join us in welcoming Theo to the Can/Am family.

About Can/Am Technologies, Inc., and the Teller Cashiering Solution

For over 20 years, Can/Am Technologies, has provided powerful state-of-the-art cashiering solutions to local and state government clients across North America. Can/Am’s Teller Cashiering Solution is a full featured browser-based Cashiering / Point of Sale / Online system that delivers robust reporting, collection, and management functionality. Teller’s modern integration technology is praised for being intuitive and easy-to-use while also able to be seamlessly incorporated into a multitude of software integrations. Can/Am has earned a solid reputation for providing high level ongoing hands-on client support. Can/Am is SOC2 certified.
